Grain Sock

## **KEY FEATURES**

- The patented THINWALL panel features a horizontal tongue-in-groove joint that allows 100% machine welding inside & outside for end-to-end strength
- 100% welded, all aluminum, rivet free, provides an industry leading strength to weight ratio
- All air tanks drain to a central location and can be accessible without going under trailer
- Tire inflation system for primary axles
- Auto dump suspension when tailgate is opened
- Tailgate hinges have bronze bushings and do not require grease fittings
- All aluminum chassis design for maximum weight savings
