Standard Stainless Steel  
Fenders

## KEY FEATURES

- The patented THINWALL® panel features a horizontal tongue-in-groove joint that allows 100% machine welding inside & outside for end-to-end strength
- 100% welded, all aluminum, rivet free, unibody construction provides an industry leading strength to weight ratio
- Perfectly smooth, rivet free lower hoppers provides superior cleanout
- Closed body design eliminates mud/snow build-up under the trailer body
